Spring 2008

Dear Charleston Members:

As you are all aware, the fence surrounding The Charleston Swim Club is in great need of repair. Unfortunately, our budget has not allowed us to make the necessary repairs with the yearly dues. Therefore, we are seeking donations in the amount of \$100.00 from each Charleston family. These funds will be utilized specifically to repair as much of the fence as possible.

If you are interested in making a donation in the minimum amount of \$100.00 for the needed fence repairs, kindly forward a check made payable to:

The Charleston Swim Club  
c/o Robin Aronson  
1218 Sequoia Road  
Cherry Hill, New Jersey 08003

If you previously donated to this project, The Charleston Swim Club thanks you. Please expect your check to be cashed within the next month. If all families participate, we hope to be able to complete the entire perimeter, so that we can maintain a safe and attractive look for our own community and potential new members.

We thank you in advance for your interest in this much needed project.

Charleston Board of Directors
